REFUND POLICY

FEES

The Registration fee and Accommodation Placement fee are non-refundable. Refunds are based on net funds received by CSLI. Refunds are calculated according to the date of withdrawal by written notice, not according to the date the notice was received. Refunds are calculated by week, not by day, and based on the net funds received by CSLI. All refunds are issued within 30 days of receiving written notice of withdrawal or change. All requests for refunds must be received by CSLI in writing, dated and signed by the student requesting the refund. Disputes regarding refund policy must be received in writing, addressed to the Campus Manager or Delegate at CSLI, within 14 days of receipt of a refund from CSLI. A response can be expected from CSLI within 7 working days from the date the notification of dispute is received. CSLI Golden Experience Program, customized programs, package programs and private tutoring follow their own refund policy if a separate terms and conditions are set for the program.

TUITION Refunds are based on net funds received by CSLI and a written notice is required. Any program changes resulting in a shorter study period or length than original registration will be deemed a withdrawal, and the refund will be calculated as follows:

Before program start:

1. Withdrawal within 7 calendar days after contract made: Full tuition refund minus \$250 or 5% of tuition, whichever is less
2. Withdrawal 30 calendar days or more before original start date and more than 7 calendar days after contract made: Full tuition refund minus \$1000 or 10% of tuition, whichever is less
3. Withdrawal less than 30 calendar days before original start date and more than 7 calendar days after contract made: Full tuition refund minus \$1300 or 20% of tuition, whichever is less

After program start:

1. Withdrawal or dismissal within first 10% of program: 70% refund
2. Withdrawal or dismissal between 10% and before 30% of program completed: 50% refund
3. Withdrawal or dismissal after 30% of program completed: no refund

Declined visa:

In situations when the visa is declined, CSLI will give a full refund based on net funds received less the registration fee, accommodation placement fee, and all bank transfer charges. CSLI needs to be notified in writing prior of the program start date that the student's visa was denied. A copy of the denial letter from the Canadian Embassy must be provided to CSLI at that time. If CSLI is notified after the program start date without any previous notification about visa delay or denial, a \$200 administration fee will be added on top of the registration fee, accommodation placement fee, and bank transfer charges withheld from the refund. Where a student did not meet the CSLI and/or program specific minimum requirements for admission through no misrepresentation or fault of their own, all tuition and fees paid under the contract are refundable, less the applicable non-refundable student application or registration fee.

WITHDRAWAL POLICY

1. A student may be entitled to a refund of tuition fees in the event that: The student provides written notice to CSLI that he or she is withdrawing from the program, or the student is asked to withdraw (See Dismissal Policy).
2. The written notice of withdrawal may be delivered in any manner provided that a receipt or other verification is available that indicates the date on which the notice is delivered, such as email, letter, etc.
3. The notice of withdrawal is deemed to be effective from the date it is delivered.
4. The refund to which a student is entitled is calculated on the total tuition fees due under the contract. Where total tuition fees have not yet been collected, CSLI is not responsible for refunding more than has been collected to date and a student may be required to make up for monies due under the contract.
5. If CSLI has received fees in excess of the amount it is entitled to under the student contract, the excess amount is refunded.
6. Refunds owed to students are paid within 30 days of receiving written notification of withdrawal received by CSLI and all required supporting documentation.

DISPUTE RESOLUTION

CSLI provides an opportunity for students to resolve disputes of a serious nature in a fair and equitable manner. The policy applies to all CSLI students who are currently attending or have attended 30 days prior.

Procedure for Student Disputes

1. When a concern arises, the student should address the concern with the individual most directly involved. The student and individual most directly involved, should try to work out a solution to the issue that is mutually satisfactory.
2. If the student is not satisfied with the outcome at this level, the student must put his/her concern in writing and request a meeting with the Campus Manager or Delegate who will attempt to resolve the issue for the student.
3. At the meeting, the Campus Manager or Delegate, will discuss the concern and desired resolution, as soon as possible, but within five school days of receiving the student's written concern. The meeting will be documented.
4. Following the meeting with the student, the Campus Manager or Delegate will conduct enquiries and/or investigations necessary and appropriate to determine whether the student's concerns are substantiated in whole or in part. Those inquiries may involve further discussion(s) with the student either individually or with appropriate CSLI personnel. The results of the investigation will be documented.
5. The necessary enquiries and/or investigations shall be completed and a response provided in writing to all involved as soon as possible, but no later than ten school days following the receipt of the student's written concerns. Two options are then available to the Campus Manager or Delegate:
 - a. If it is determined that the student's concerns are not substantiated, he/she, on behalf of CSLI will provide a written explanation of the decision and deny the complaint; or
 - b. If it is determined that the student's concerns are substantiated in whole or in part, CSLI will propose a resolution. The student will have five school days to appeal the decision. A copy of the decision and all supporting materials shall be given to the student, a copy will be placed in the CSLI Dispute Binder and the original will be placed in the student file.
6. If the student is not satisfied with the determination of the Campus Manager or Delegate, the student must advise the Campus Manager or Delegate as soon as possible but within five school days of being informed of the determination. The Campus Manager or Delegate will immediately refer the matter to the CSLI President.
7. The President of CSLI will review the matter and may meet with the student as soon as possible but within ten school days of receipt of the student's appeal. The original decision will either be confirmed or varied by the President in writing within 5 school days after meeting the student. At this point the CSLI's Dispute Resolution Process will be considered exhausted.
8. The student, once the CSLI dispute resolution process is complete, may file a complaint with Languages Canada and the Private Training Institutions Branch (PTIB) if he/she feels the institution misled the student regarding the institution or any aspect of its operations.

GRADE APPEAL POLICY

CSLI provides an opportunity for students to appeal grades in a fair and equitable manner. The policy applies to all CSLI students who are currently attending or have attended 30 days prior to submitting their concern to the Campus Manager or Delegate.

1. If a student is dissatisfied with a grade received and can provide evidence that a higher grade is warranted he/she should discuss with his/her instructor. The instructor will reconsider the grade and, if warranted, assign a different grade.
2. If the student is not satisfied with the outcome of his/her appeal to the instructor, he/she should submit a written appeal to the Campus Manager or Delegate.
3. The Campus Manager or Delegate, will obtain a copy of the assignment/test in question from the instructor and will have another instructor conduct a review.
4. If the assessment achieves a higher grade on re-mark, the higher grade will be assigned to the student. If the assessment achieves a lower grade on re-mark, the original grade will be retained.
5. Once the re-assessment is complete, the Campus Manager or Delegate will review the process and, once his/her review is complete, the grade will be considered final and cannot be appealed.
6. The decisions on the grade appeal will be provided to students within 15 school days of the Campus Manager or Delegate's receipt of the written complaint.
